Frequently Asked Questions

Q: How do I view my medical history?

Click "Medical History" in the left sidebar to see all your past visits, diagnoses, and records.

Q: Can I edit my personal information?

You can update your contact info, city, email, phone, and profile photo. Name, NIC, DOB, and blood type changes must be requested through Admin.

Q: How do I get a new account?

Click "Sign Up" on the login page and submit a registration request. An admin will review and approve it.

Q: How do I download my documents?

Go to "Documents" in the sidebar to view and download all files uploaded by your doctors.

Q: Who can see my medical records?

Only you, authorised medical staff, and system admins can access your records. All access is logged.
